Epping Volunteer Fire Department

EPPING, NEW HAMPSHIRE 03042

A MESSAGE TO THE VOTERS OF EPPING

The Epping Volunteer Fire Department is asking for your support at the upcoming Town Meeting.

----We will be asking you to vote on the following articles:------

1. A $65,000 BOND ISSUE TO ENABLE US TO PURCHASE A TANKER/PUMPER.

At present, we own two First Line Pumpers; a 1977 and a 1962. These are in very good condition. Our back-up Pumper is a 1954 Ford. This vehicle may only be used as a back-up piece of equipment.

We own two Tankers. One is a 1952 Army truck with a 1,000 gallon tank and a seperate Pump operated by a Briggs & Stratto engine - year of manufacture unknown. This truck is in fair condition, but we are finding repair parts extremely hard to get for both the truck and the pump. Our second Tanker is a 1968 International, purchased second hand from an oil company and reconditioned by the Fire Department. This truck has a low pressure pump which is only good for pushing water to a Pumper and would be of no use if it was necessary to fight a fire. This truck is showing a lot of rust and both the transmission and rear-end need extensive work if we were to keep it The brake system would also need to be completely rebuilt. At present, the Firefighters are hesitant to drive this truck because of the brakes.

The Fire Truck Committee has spent the last ten (10) months traveling to various Fire Departments and to Truck Manufacturers and have found the following truck best suited to the needs of Epping.

A DIESEL POWERED 2,500 GALLON TANKER WITH A 1,000 GALLON PER MINUTE PUMP.

The primary purpose of this truck would be to supply water to the Pumpers at a structure fire but could also be used for fighting fires if it became necessary, due to breakdown or freeze-up of another truck.

This truck would meet all Insurance Underwriters Specifications. A truck built just for carrying water with a small pump would not meet these specifications, as there would be no room for proper amounts of hose and associated firefighting gear.

The cost of this truck would be $80,000. $15,000 has already been put aside for this purpose. If we wait another year, the cost would rise to $104,000 at the present rate of inflation.

The 1977 Pumper was paid off in 1979, If the voters purchase this new vehicle, the additional cost would be approximately $2,240 per year, or about 35¢ per resident (this figure does not include interest).

The firefighters presently have fund raising activities for hose, nozzle, and related equipment.

2. The Fire Department budget of $27,709.11 includes the cost of Fire Department dispatching. In the past, Epping Fire & Rescue have been dispatched by the County Jail at no cost, other than the telephone. This year, the Jail can no longer accomodate us, so we are working on new arrangements. We will be paying $1 per resident, plus phones. This cost is divided between Fire and Rescue budgets.

We have also included the cost of a new heating system, replacing the converted coal boiler that was installed in 1935. This boiler had too much wrong with it and was considered unrepairable by the servicemen when it broke down this past November. The new dual system was purchased from Edward Lavoie at a savings of over $1,000 to the Town.

Like the homeowner, inflation has raised our costs this year. We have done our best to hold our budget down, but the cost of fuel, safety equipment, hose and related equipment have all risen.

Your Fire Department does not feel that we have asked for anything we do not need. We feel the protection of your lives and property is of the utmost importance. We need the truck so that we won't be as dependant on Mutual Aid as we have been in the past and we need enough money so that we can supply the men with proper air masks, coats, boots and helments for their safety and to operate the Department efficiently.

We have a long list of needs that have not been included in our budget. For these, we are dependant upon our Firefighters donating time, on our fund raising efforts and on donations by concerned citizens.

We hope you will support the Epping Volunteer Fire Department. We also hope we will never be asked to come to your aid but we will be ready if the need arises.

Sincerely,

Richard Marcotte- Chief
Armond O'Barton - Fire Ward
Clifton Cray - Fire Ward
John Hoar - Fire Ward

Epping Volunteer Fire Department
Epping, New Hampshire 03042

Dear Epping Citizen:

The Epping Volunteer Fire Department is asking for your cooperation in obtaining emergency information about yourself and your property. This information will enable your fire department to better serve you.

The information cards which are available at the fire stations, town clerk's, and selectmen's office will contain the following information: name, address, telephone number, number of occupants, number of small children, and the number and kinds of pets living in your home. Other information will include elderly or handicapped, type of handicap, religious preference, and simple directions in finding your home. On the reverse side of the cards, information will include storage of hazardous or flammable material, location of nearest water supply, and for those people who have moved here recently, the name of the previous owners of your property.

The emergency cards will be kept in the radio rooms at the two Epping Fire Stations and at the dispatch center. If an emergency should occur at your home, the card is pulled from the file; and all important information will be relayed to fire fighters at the scene. This could save the life of a loved one as well as the life of a fire fighter.

We also have available "People Protector" stickers for the bedroom window of a small child, elderly, or handicapped person. It indicates to fire fighters that someone in the room might need special help to escape if fire strikes. To help your fire department, please remove the sticker when the protected person moves from the room or from the home. These stickers were provided free of charge to the fire department by the Prudential Insurance Company of America.

We are asking you to fill out the emergency card furnished you as soon as possible and return it to the fire station, town clerk, or selectmen's office.

Sincerely,

Richard Marcotte, Chief
Armand O'Barton, Fire Ward
Clifton Cray, Fire Ward
John Hoar, Jr., Fire Ward

We Shall Never Forget . . .

DR. JOHN W. BLAISDELL, who was born in Haverhill, Ma. on September 8, 1914. He was a graduate of St. James High School, Boston College and Tuft's Medical School. He served his internship and residency at Lawrence General Hospital.

DR. BLAISDELL discovered the little town of Epping through friends who would hop on the old Boston & Maine and visit the bustling New England town each summer. He was encouraged to take over the practice of Dr. Frances Hand who was entering the military service. So, in 1940, Dr. Blaisdell began his remarkable career as a family doctor in the town of Epping, N.H.

In 1942, he married his favorite nurse; Patricia M. Baril of Lawrence, Ma. whom he met while at Lawrence General Hospital. She worked by his side during the twenty-nine years of his dedication to the sick and injured. They moved into their home on Pleasant Street where they raised their seven children while his medical practice grew.

He was a member of the staff at the Exeter Hospital for twenty-nine years (from 1940 until his retirement). He was also the staff physician at the Rockingham County Home & Hospital in Brentwood, N.H. In addition to both hospitals and his endless office hours, he always made time for numerous house calls throughout the entire area, not just the little town of Epping.

On July 17, 1962, he was in a very serious accident. The entire county was saddened and shocked. Helped by their constant prayers and faith, he was back in practice by late Fall of 1962 but was never again able to work the same long endless hours.

During those twenty-nine years of practice in Epping, he worked long and hard hours bringing hundreds of new lives into the world as well as saving and healing the lives of thousands of others. Rich and poor were treated the same and many debts owed to him were paid with gifts of anything from a farmer's prize pig to a simple promise. Our faith and trust in him as a doctor was matched by his faith and trust in us as a friend.

In 1970, he was elected an Emeritus Member of the New Hampshire Medical Society and a life member in the American Medical Association. Somewhere during this busy life, he found time to be a member of the Massachusetts Medical Association, the Knights of Columbus - 4th Degree and the Exeter Lion's Club.

Dr. Blaisdell was a brilliant and remarkable man, perhaps even a rare breed, the likes of which we may never see again. He retired from practice in 1969 due to illness and this past August 20th, he passed away, leaving a saddened but proud family who were the fortunate ones to have shared the life of this very special man. He also left us - his loyal friends, not only with a deep sorrow but with a very warm and loving memory which will live on. A memory we will share with our children in countless stories of kindness and caring.

We, who knew him so well, only regret that everyone who now lives in Epping never had the opportunity to know this unusual man. He enriched our lives as well as healed our bodies. In a world of so much uncertainty, he left us with a legacy of hope.

We thank his family for sharing him with us . . . his patients, and we are proud and honored to dedicate this Annual Town Report to the memory of DR. JOHN W. BLAISDELL.

REPORT OF THE BOARD OF SELECTMEN

First of all, we would like to express our thanks to all of you for your support and assistance over the past year.

The Board has continued to try and upgrade our road system. As all of us know, our roads greatly need work. We were able to use some (TRA) Town Road Aid money on Main Street, improving the drainage problem on the hill by Moore St., putting in a new base of gravel and hot topping. We hope to complete this down to the four corners this year.

The Town voted to participate in the CETA Summer Youth Project which we feel went very well this past year, thanks to our supervisor, Donald Hatch. Everyone should notice the beautiful job done of landscaping in front of the Town Hall, one of their many small projects.

The Town of Epping and many other small towns all over the United States learned a great deal this past year about hazardous wastes. Hazardous wastes are a problem facing the entire state of New Hampshire and all of the United States. This problem came to the Board's attention last spring with numerous complaints of odors and spills at Keefe Environmental Services. After investigating, the majority of the Board voted to take action in Rockingham County Superior Court to force KES to abide by the stipulations set by the Planning Board on his site plan. The State of New Hampshire Bureau of Solid Waste; Thomas Sweeney, Director, was notified. He too, inspected and requested that the site be cleaned up. This process went throughout the summer. Failure on the part of KES to comply, the Board then requested an immediate ruling by the Court which resulted in our case being heard by a Special Master. We are sure all of you followed this in the newspapers. The case is still pending (continued) until KES meets the requirements of the court order of December, 1979.

It is anticipated that commencing July 1st, the Town of Epping will transport its garbage to the Waste-to-Energy plant in Durham built by us and the other members of the Lamprey Regional Solid Waste Cooperative. The Board has voted unanimously to have municipal house to house pickup. More information will be available in early spring.

Our Dump on Hedding Road will still be there for receiving white goods, tires, old furniture, etc. that will not be picked up at your home by the compactor. As always, the Stump Dump will remain open for brush and stumps.

Take pride in Epping, it's your town. Get involved, help to make Epping the best town in Rockingham County. With your help, it can happen.

Respectfully submitted,

AGAPIT H. JEAN, *Chairman*
MARY S. FECTEAU
ROGER E. GAUTHIER

Board of Selectmen

SELECTMEN'S NOTICE
AS TO FINANCIAL AUDIT

The 1979 Financial Audit for the Town of Epping which normally appears in the Annual Town Report is not complete at the time of this printing.

However, notice will be made through the area newspapers when it is completed and extra copies will be available in the office of the Selectmen and can be picked up during the regular office hours at no charge.

LIBRARIAN'S REPORT

I am so glad to be back! Mrs. Ann Russell and I started working at the library in September. Since we have been here, we have shown an increase in circulation and attendance. The 1979 circulation was 10,639; the attendance was 5,482. There has been a very good response to the story hour for pre-school children.

We wish to thank all of you who have given books to the library. Also our thanks to the Epping Garden Club, who have brought in plants each month. They are responsible for the lovely wreaths at Christmas time. It is much appreciated and adds a homey touch to the room.

Four different groups of school children have been coming in regularly for books. Since the fifth grades have moved to the new school, they have been using the school library. We have enjoyed them, and miss them.

The book drop at the front door has been closed for the winter. It was thought that we were losing too much heat. We are sorry for this inconvenience and hope by next year we will be able to come up with another book drop plan. Double windows have been ordered for the main floor to help conserve heat also.

A coupon exchange service has been started in the library, and we welcome anyone who is interested.

Respectfully,

Irene M. Hutchinson,
Librarian

REPORT OF THE
EPPING VOLUNTEER FIRE DEPARTMENT

December 4, 1979

I would like to express my appreciation to the members of the fire department and auxillary for all their hard work and support throughout the year.

As I stated last year, fires are ever increasing. This year the fire department responded to a total of 98 calls from December 1, 1978 to November 30, 1979. Of these 98 calls, mutual aid had to be called nine times. Although we never ran out of water combatting any of these fires, I hate to think that in an event of another major fire we might.

It would be greatly appreciated if everyone would carefully think about the new truck which is proposed by the fire department. With this added piece, everyone could breathe easier should a major emergency occur.

Again, I urge the utmost caution when operating wood burning equipment by having chimneys cleaned and inspected. Throughout this year, we also experienced a dramatic increase in electrical fires. A little time spent checking for a problem would be a wise move.

In closing, we did lose a valuable member this year, Cliff Mandigo. His passing has been felt by every member of the department, especially me.

Respectfully Submitted,

CHIEF RICHARD MARCOTTE
Epping Fire Department

REPORT OF
THE EPPING FIRE DEPARTMENT
WOMEN'S AUXILIARY

At this time we would like to express our appreciation to the men for their hard work of the past year and their efforts to make this department one of which we can be proud.

We have attended six of their more serious fires at which time we served hot and cold drinks and doughnuts. Sandwiches were served at two fires.

We had two raffles throughout the year which totaled $335.00. We buy coffee and food supplies for fires. We have just purchased 24 pairs of gloves and mittens at a cost of $230.00. Other activities include preparing used toys for needy children at Christmas, baking food for the men's monthly meetings and serving food at the town's Clean-Up Day. At this time the Auxiliary consists of nine members.

REPORT OF
THE EPPING POLICE DEPARTMENT

The year 1979 was basically a good year for the Epping Police Department, despite a crime increase. This crime increase can be attributed partly to the increasing number of jobless and rate of inflation.

An attempt was made to maintain a 24-hour coverage, but due to a limited budget and only one full time man this task could not be accomplished.

I would like this year to urge the residents of the Town of Epping to drive carefully as the Epping Police Department covered 104 accidents in 1979. (This number does not include all accidents that were covered by the State Police.) Accidents are caused by three things — Negligence, Speeding, and DWI. Statistics show that most accidents occur within a 20-mile radius from your residence.

The number of speeding violations reached a record high of 382, an increase of 151 over last year's total. The Driving While Intoxicated (DWI) arrests were lower at 38, which is four fewer than last year's total.

To help decrease the crime rate in Epping I would like to see a Neighborhood Watch Program formed. This program would consist of a group of concerned Epping citizens who would make themselves aware of suspicious vehicles and/or people in their areas and promptly report any information possible to the Police Department. With your help this can be accomplished.

In closing I would like to thank all of the Officers of the department and their families for their cooperation in making 1979 a good year, and let's hope that 1980 can be an even better year.

Respectfully submitted,

NORMAN H. MARCOTTE
Chief,
Epping Police Department

HEALTH OFFICER'S REPORT
1979

The following list of concerns were investigated by the local Health Officer in the year 1979:

6 - leach bed problems
1 - noise complaint on Sunday
1 - water shut-off by landlord
3 - chemical plant complaints
1 - private dump

Submitted by

Clayton Downing
Health Officer

REPORT OF
CETA PROGRAM 1979

On the whole, I am pleased with the overall performance of the CETA Program. With only minor problems, we were able to feel some sense of accomplishment by the end of the Program.

Two groups worked at the local schools: High School and Central School. One young lady assisted with clerical chores at the Town Hall while another assisted Mrs. Bilodeau with the Recreation Program. A third girl helped Mr. Morel read water meters. A most important part of the program was the formation of an "outdoor crew" which rotated to a variety of work sites around town. This group completed the following tasks: improve landscaping in front of the Town Hall, cut bushes under Water Tower on Pleasant Street, painted the radio room at the Fire Station, cut bushes at Sewer lagoons, painted fire hydrants, painted restrooms at the Town Hall, painted crosswalks and school signs on roads, provided general maintenance at the Town Hall and mowed lawns and tended shrubs at the Town buildings and local Parks.

There were many other requests which unfortunately we could not honor due to time limitations.

I would like to thank the Selectmen for their cooperation throughout the Project. We are also indebted to both Mrs. Cote and Mrs. Warren for their kind assurance.

Sincerely,

Donald Hatch
Director

REPORT OF THE EPPING CONSERVATION COMMISSION

The Epping Conservation Commission is alive and well, now at full compliment and embarked on renewed activity. Members seek to cooperate with town and state agencies to ensure a legacy of natural resources for generations yet to come.

The Commission is pleased to report that Mary Blair Park is being used for recreation by increasing numbers of Epping Citizens.

The Conservation Commission sponsors an annual canoe race to promote more public awareness of the scenic and wild beauty of one of Epping's great natural resources, the Lamprey River.

The second annual Lamprey River canoe race on April 28 was highly successful and attracted 120 entrants. Participants came for the all-day event from as far away as Maine and Massachusetts.

Race conditions were nearly ideal because of the cooperation of the New Hampshire Water Resources Board whose staff released water stored behind the dam at Mary Blair Park just prior to the first race. (All races begin at the canoe launch area in the park and either at the bridge near the Mariam Jackson Park downtown or at Tilton Bridge.)

Ribbons as well as locally produced maple syrup were awarded to the winners of the four races.

Members of the Fire Auxillary served coffee and doughnuts, the rescue squad was on duty and Andy Vallone and Betty Claxton efficiently staffed the registration desk and managed starting times.

Plans are now being made for the 1980 canoe race which will again be on the last Saturday in April.

A dedicated group of Little League managers organized hard-working volunteers who donated many manhours, material and equipment so the youth of Epping

will have an official Little League field at Mary Blair Park. The field has been constructed according to specific Little League specifications and should be one of the outstanding fields in the area ready for opening day next spring.

The CETA Youth Work Group was assigned to Mary Blair Park several days and cleared brush from a picnic area. A sturdy new picnic table has been purchased by the Commission and will be at the park in the spring. Nearly fifty Epping youngsters volunteered for the 8th annual "Clean-Up Epping Day" on June 2. This event is sponsored annually by the Commission. Volunteers were assigned to clean the downtown area of litter with special attention directed to the areas near the schools and municipal buildings. Bottles and cans collected were separated and the recyclable material was trucked to the UNH Recycling Center in Durham by Linda Clarke, Dennis French and Marian Marcotte.

The Commission wishes to thank the many local businesses and organizations who help support this event.

A new project undertaken by the commission was planting evergreen trees to help establish the "Fred Coffin Memorial Forest" on former dump land on Old Hedding Road. During the two days of planting, approximately 1,000 pine seedlings were planted by Brownies, Cub Scouts, Girl Scouts and other school age children. All planting was done under the supervision of Scout Leaders and Commission Members. All trees were planted on the Barron Hillside. When grown, the trees will prove affective against further erosion. In just a few years, the "Fred Coffin Memorial Forest" should be visable to everyone, and a source of pride to the community.

The Epping Conservation Commission sponsored a joint meeting with other area Commission to discuss methods of protecting the Lamprey and Piscassic Rivers.

Recent developments of population increases and possible new industries, have made all of us more alert to the

potential deterioration of the water quality of our rivers. Cynthia Ivey, Wetlands Advocate of the New Hampshire Association of Conservation Commissions, met with members to discuss guidelines for forming a Watershed Association. As a result of these meetings, the "Lamprey River Watershed Association" was formally established. By-laws were revised this year and a current copy is on file with the Town Clerk.

Several dredge and fill applications to the N.H. Wetlands Board were received and reviewed, and an effort is being made to make everyone more aware of the proper procedures for filing and processing these applications. We shall seek your support during the coming year as we strive to effectively and intelligently pursue our goals and projects in cooperation with similar commissions in neighboring communities.

REPORT OF
THE HISTORIC DISTRICT COMMISSION

The Town of Epping voted in March, 1979 to establish an Historical District Commission. This consisted of seven members, one member to be a Selectman, one a member of the Planning Board, and the other five appointed by the Selectmen as provided for by RSA 31:89-d.

Roger Gauthier represents the Selectmen. Gerald Rooney is a Planning Board member. Appointed were Amogene Kimball, Louise Dorsch, Michael Sullivan, David Richards and Lance Bennett.

Members serve without compensation for staggered three-year terms with maximum of two successive terms.

The purpose is to establish regulations to be upheld in order to preserve, protect and maintain the historic nature of the Town.

An article will be proposed this coming March to define the proposed boundaries of the first historic area.

Meetings are held in the Town Hall and open to the public.

REPORT OF THE
EPPING WATER & SEWER COMMISSION

As voted by a majority of those attending the March 1979 Town Meeting, the Water & Sewer Commission interviewed five engineering firms and studied their proposals. The firm of DufresneHenry was selected to do the studies. By running the #2 well pump constantly and using the #1 well alternately, there has been a constant supply of water available to the Town.

The fire hydrants were flushed and checked. Needed hydrant repairs have been documented.

Needed replacement and repairs to water meters have been documented, also customers having no meters. Tentatively, this work is scheduled to begin in the spring of 1980.

As of this writing, a suitable source of additional water has not been located. One potential source, south of the Route 101 By-pass and west of the Rochester-Nashua railroad bed has been eliminated. This location seems to be drawing water from the same source as the present wells.

Another potential source at the location of the former town well field, near the Lamprey River will be explored as soon as weather conditions permit.

Preliminary work on the "waste water treatment facilities" is underway. Application has been made which resulted in a GRANT OFFICER of $35,250.00 from E.P.A. and the acceptance forms have been signed. This offer represents 75% of the proposed cost of Phase I of the engineering study.

Mr. Richard F. Sanborn is doing his daily duty as sewer engineer. Mr. William Parker repairs and maintains the sewer system while Andrew Morel and Roxanne Wolfe read the meters and prepare the billings.

Respectfully submitted,
EPPING WATER & SEWER COMMISSION

REPORT OF
THE EPPING RESCUE SQUAD

We would like to report the busiest year in our history, and the growing need of your continued support.

During this past year, we have been called upon to handle not only a great number of calls in our own community, but it has been necessary for us to respond to emergencies in Raymond, Nottingham, Brentwood and Fremont. We have also found ourselves called up to stand by for a school bus accident in Candia, and handling an emergency medical incident in Newmarket during their disaster caused by a tornado.

We would also like to take this opportunity to remind our town's people — that due to the fact that the Raymond Ambulance Association covers emergencies in seven communities, it has become necessary for them to handle only emergency situations.

The squad is proud to announce that in our ranks we now have five CPR instructors and two Advanced First Aid instructors certified by the American Red Cross.

We hope during the next year we will be able to offer training to anyone who is interested. Upon completion of this training students will be qualified to acquire a New Hampshire Ambulance Attendant's License, which all squad members are required to maintain.

With your support, the Epping Rescue Squad is ready to accept the challenges of our growing community.

Respectfully submitted,

Maurice Yergeau, *President*
Christopher Murphy, *Financial Officer*
Nancy Grimard, *Secretary*

EPPING RESCUE SQUAD
— STATISTICS —

During 1979 the Epping Rescue Squad responded to 164 Emergency calls:

Motor Vehicle Accidents	38
Accidents in the Home	8
Accidents Outside the Home	19
Sudden Illness	70
Fires	29
TOTAL	164

Total Number of Persons Treated 136

REPORT OF THE NEWMARKET REGIONAL HEALTH CENTER, INC.

The Newmarket Regional Health Center has made great strides in 1979 towards improving services for the residents of Epping. The number of people utilizing the services offered by the Center continues to grow at a rapid rate. Over 20,000 rides were provided by the Senior Citizen Transportation Service in 1979, an increase of 5,000 rides over the previous year. Following our move to a new and expanded facility, our utilization of medical services has increased 38% over the 1978 utilization level. In addition to the medical services provided by the Center, there has also been a significant increase in preventive and community health services.

In November of 1978, the Center moved its base of operations from its crowded second floor location on Main Street to a newly-renovated building on 14 Elm Street. The building is ideal, being centrally located with ample parking space for patients and staff. All of the Center's services are located on the first floor, and are easily accessible to handicapped individuals through the use of a wheelchair ramp. The medical clinic has expanded to include four fully-equipped examination rooms (three adult and one pediatric), separate laboratory facilities, a counseling room, receptionist's station, and extra waiting room space.

The Center's medical services are provided by Sarah Oxnard, M.D., Mr. Michael Lewis, a Registered Physician's Assistant, and Ann Morgan, a Nurse Practitioner. The medical team also includes a nurse and a Health Aide who performs the bulk of laboratory procedures at the Center, both of whom assist the physician and physician's assistant. The Center's Community Health Workers work closely witht he Medical Staff to ensure the appropriate continuity of care for its diverse patient population. In addition, they coordinate preventive screening clinics to detect potential health

hazards, hold information workshops open to the public, and act as a liason between the medical provider and the patient. To make a medical appointment, call the Center at 659-3106 or toll-free at 1-800-582-7279.

The Senior Citizen Transportation Service provides regularly scheduled bus service for the elderly of Epping and other area communities. Transportation to medical and dental care, social services, food and clothes shopping, and day-long excursions to social events are but a few of the many activities available to seniors. To find out more about the Senior Citizen Transportation Program, or to arrange a ride for a senior citizen, call the program at 659-2424 or 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Epping.

Sincerely,

Ann H. Peters
Executive Director
Newmarket Regional Health Center
14 Elm Street
Newmarket, N.H. 03857

REPORT OF THE LAMPREY REGIONAL SOLID WASTE COOPERATIVE PROGRAM

Since our report to you at the time of your 1979 Town Meeting, the Cooperative, through the strong efforts of its representative members from each town, has made outstanding progress.

In May of 1979 the Cooperative obtained bids from prequalified suppliers of incinerator-energy recovery systems for the design, manufacture, and installation of three 36-ton-per-day incinerators and two integrated boiler systems for the production of steam to be sold to the University of New Hampshire, to supply a portion of their steam requirements in lieu of the conventional oil-produced heating medium. Consumat Systems, Inc., of Richmond, Virginia, was awarded the contract for the complete incineration-energy recovery portion of the project. This company is the largest and most advanced one of its kind known to us in the United States, with an excellent record of quality and performance. Their contract calls for a step or a phased schedule of delivery and installation towards a start-up date scheduled for late spring of 1980. They have continuously maintained the established timetable and we anticipate no problem in meeting start-up dates, weather and acts beyond their control permitting.

In mid-summer, upon completion of a major contract involving the relocation of the entire University of New Hampshire Power Supply & Transformer System to make way for the Cooperative's plant, a contract was awarded to Griffin Construction Company, Inc., for the site development and building construction portion of the project. This contract was developed in close coordination and for integration with Consumat's work to the end that all elements of both projects be completed as required to place the plant in operation efficiently and economically in the best interest of the Cooperative. Al-

though the site development contract was delayed approximately three weeks by serious unanticipated foundation problems, every effort by the contracting party and the Cooperative's management is expected to effect sufficient completion of the project to meet the scheduled start-up operation.

Although every effort was made by the Cooperative to anticipate the overall costs of the project, a number of events have occurred which have increased the capital costs of the project since the original estimates were made in late '77 and early '78. Two towns joined the Cooperative (Epping and Rollinsford), giving us an increased tonnage of waste to be handled. To provide the capacity to accept the estimated refuse generated by the 12 towns, to build in a growth reserve capacity, and at the same time maintain a safety stand-by incinerator for maintenance and emergency purposes, the Cooperative specified three 36-ton-per-day incinerators rather than the three 25-ton units on which the original estimates were based. With bids taken on all elements of the project during mid-year 1979, virtually at the height of the national inflationary spiral, all costs have substantially increased. As a result, the estimated capital cost of all elements of the project is now estimated to be approximately 3.3 million dollars. Despite this major increase in capital costs, the Cooperative, through judicial management and investment of available funds, has been able to move ahead on its scheduled plan for construction of the plant, with only the additional bonding of $450,000. This additional capital investment, which the Town of Durham is being asked to loan the Cooperative, as in the case of the initial bond issue, has been offset completely by the increase in the price of fuel oil and the resulting estimated increase in revenues returned from the sale of steam, such that no increase in the tipping fee is projected. In fact, with reasonable control on the operating costs of the plant, any increase in the price of oil could improve the tipping fee (cost per ton of refuse handled) for each town. While a $10 per ton tipping fee has been used

in projecting your town's share for budgeting purposes for the last six months of 1980, when we expect to be burning your refuse,the Cooperative does not expect any increase in this cost per ton if oil prices stay as they are, or increase.

Continuing inspections are being made of the facilities being produced by Consumat, and we are confident that the units which we have selected will perform in accordance with our planned production program. Although our system is designed to handle all types of residential waste, including glass, the Cooperative members voted unanimously to encourage the removal of glass at its source, either through recycling or local disposal as land fill. Glass is nonproductive as a source of heat and in fact does detract from the heat quality of the refuse burned, and it is estimated that there may be a net savings to all of the communities in the Cooperative to remove the glass and dispose of it locally rather than to transport it to the Cooperative's plant, process it as a part of the tonnage cost, and then dispose of it. The Cooperative's staff is working with the member towns to assist in such a program wherever possible.

The Directors of the Cooperative wish to express their deep appreciation for the assistance given its efforts by the officers and staff of the University System, and the University of New Hampshire, as well as the officers and staff of all the cooperating towns. Every effort will be made through continuing correspondence and news releases to keep all of the residents of the twelve towns informed of the progress in the development of their solid waste disposal and energy recovery plant.

PARTICIPATING COMMUNITIES:

Barrington, N.H.	Newfields, N.H.
Durham, N.H.	Newington, N.H.
Epping, N.H.	Newmarket, N.H.
Greenland, N.H.	Northwood, N.H.
Lee, N.H.	Rollinsford, N.H.

Note #1

*By directive of the Attorney General of the State of New Hampshire capital gains must be reinvested. Under this procedure 317.611 shares have been added to the 1186 shares originally purchased. 37.466 shares were added during 1979. Net asset value of a Puritan Fund Share on December 31, 1979 was $10.41. Total net asset value of the Puritan Fund account was $15,652.59

Note #2

Funds for establishment of a Capital Reserve Fund to purchase a fire truck were received by the trustees after Dec. 31, 1979 and therefore do not appear in the above report. The Capital Reserve Fund was established Feb. 2, 1980 as a 2½ yr. Certificate of Deposit at the Exeter Cooperative Bank. The compound interest will be 11.40%.

FINANCIAL STATEMENT
OF EPPING SCHOOL DISTRICT

Joseph J. Giordani
Certified Public Accountant

School Board
Epping School District
Epping, New Hampshire 03042

I have examined the balance sheet of the Epping School District as of June 30, 1978 and 1979 and the related statement of changes in fund balances and other current funds, revenues, expenditures and other changes for the year ended June 30, 1979. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

The comprehensive basis of accounting as stated in notes #'s 1-3 are used in reporting for the Epping School District. The Epping School District has not maintained a record of its general fixed assets, and accordingly a statement of the assets, required by generally accepted accounting principles, is not included in the financial report.

In my opinion, except for the handling of fixed assets mentioned in the above paragraph, the aforementioned financial statements present fairly, the financial position of the Epping School District at June 30, 1979 and the changes in fund balances and the current fund revenues, expenditures and other changes for the year

then ended, in conformity with generally accepted accounting principles, applicable to government entities, applied on a basis consistent with that of the preceeding fiscal year.

Very truly yours,

JOSEPH J. GIORDANI
Certified Public Accountant
December 10, 1979

WARRANT AND BUDGET

The State of New Hampshire

TOWN OF EPPING

— TOWN WARRANT —

1979

The polls will be open from 9:00 a.m. to 8:00 p.m.

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT EPPING TOWN HALL IN SAID EPPING ON TUESDAY, THE 11th DAY OF MARCH, NEXT AT NINE OF THE CLOCK IN THE FORENOON, TO ACT UPON THE FOLLOWING SUBJECTS:

Article 1.

To choose all necessary Town Officers for the year ensuing.

Article 2.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3.

Shall we adopt the provisions of RSA 56:40-A permitting applications for changes in party affiliations to be made with the Town Clerk?

Article 4.

To see if the Town will vote to authorize pre-payment of Resident Taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:1-a.

Article 5.

To act on the reports of the Selectmen and such other town officials, boards, committees and commissions who are required by law to make such reports.

Submitted by Selectmen

Article 6.

To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 7.

To see if the Town will vote to raise and appropriate the sum of $1,054.83 and the State of New Hampshire to contribute $7,032.23 towards Class V construction for the improvement to our Town.

Submitted by Selectmen
Recommended/Budget Committee

Article 8.

To see if the Town will vote to raise and appropriate the sum of $14,353.21 to be contributed by the State of New Hampshire as a Special Highway Subsidy Fund for construction and reconstruction of Class IV and Class V Highways in accordance with Chapter 241 Section 15 of the Revised Statutes Annotated, as amended.

Submitted by Selectmen
Recommended/Budget Committee

Article 9.

To see if the Town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice thereof posted in three (3) public places (Town Hall, Library, Post Office) and area newspapers.

Submitted by Selectmen

Article 10.

To see if the Town will vote to appropriate a sum not to exceed sixty-five thousand dollars to be used with the $15,000 presently in the Capital Reserve Fund for the purchase of a new fire truck, for a total amount not to exceed $80,000. To authorize the issuance of serial notes or bonds in an amount not to exceed $65,000 under and in compliance with the State of New Hampshire law. To authorize the Selectmen to determine the time and place

of payment and rate of interest on serial notes or bonds and to take whatever action as may be necessary to the issuance thereof.

Submitted by Fire Wards
Recommended/Budget Committee

Article 11.

To see if the Town will vote to appropriate the sum of $15,000 to be added to the Capital Reserve Fund established at the 1978 Town Meeting for the purpose of buying a new fire truck. The Capital Reserve Fund will terminate when the Town is authorized to purchase said fire truck.

Submitted by Fire Wards
Without recommendation/Budget Committee

Article 12.

To see if the Town will vote to raise and appropriate the sum of $1,000 to be donated to the Raymond Ambulance Association for the purpose of offsetting expenses incurred in the Town of Epping.

Submitted by Selectmen

Article 13.

To see if the Town will vote to raise and appropriate the sum of $1,928.40 to be paid to the Southeastern New Hampshire Regional Planning Commission.

Submitted by Selectmen
Recommended/Budget Committee

Article 14.

To see if the Town will vote to raise and appropriate the sum of $220 toward the Rockingham Child and Family Services.

Submitted by Selectmen
Recommended/Budget Committee

Article 15.

To see if the Town will vote to raise and appropriate the sum of $408 for the Child and Youth Project which serves the children in our community.

Submitted by Selectmen
Recommended/Budget Committee

Article 16.

To see if the Town will vote to raise and appropriate the sum of $1,000 for the Newmarket Health Center.

Submitted by Selectmen
Recommended/Budget Committee

Article 17.

To see if the Town will vote to raise and appropriate the sum of $3,260 to the Exeter Area Visiting Nurse Association.

Submitted by Selectmen
Recommended/Budget Committee

Article 18.

To see if the Town will vote to raise and appropriate the sum of $2,000 for the Seacoast Regional Counseling Center.

Submitted by Selectmen
Recommended/Budget Committee

Article 19.

To see if the Town will vote to raise and appropriate the sum of ten thousand dollars ($10,000) for the improvement of the Town Hall and other buildings and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by Selectmen
Recommended/Budget Committee

Article 20.

To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars ($30,000) for the operation of a Municipal House-to-House Refuse Pick-up Service to be provided to all residents of Epping and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by Selectmen
Recommended/Budget Committee

Article 21.

To see if the Town will vote the funds for an Adminis-

trative Assistant who will work under the direction of the Board of Selectmen; such Administrative Assistant shall be a full-time employee representative of the Board of Selectmen and will have advanced training or experience and will be paid an annual salary of between $12,000 and $15,000.

Submitted by Petition
Recommended/Budget Committee
John Gensel - Sharon Gensel - Sandra Cray

Article 22.

To see whether the Town will vote to authorize the Selectmen to enter into a contract on behalf of the Town for the collection and removal of rubbish and solid wastes by House-to-House and Local Business Pick-ups for transportation to the disposal site for the Lamprey Regional Solid Waste Cooperative at such time as such regional site becomes operational and subject to appropriations for the year 1980. **Submitted by Selectmen**

Article 23.

To see if the Town will vote to require all new streets and streets presently under construction to have proper street name signs and traffic control signs. Such signs to be approved by the Board of Selectmen before the release of any bond. All cost to be born by the developer. This ordinance to become effective immediately upon its passage. **Submitted by Selectmen**

Article 24.

To see if the Town will vote to approve the appointment of a deputy tax collector. Said appointment to be made by the Tax Collector with the approval of the Selectmen in accordance with RSA 41:38 of the New Hampshire Revised Statutes. **Submitted by Selectmen**

Article 25.

To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate

money, provided; (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

Submitted by Selectmen

Article 26.

To see if the Town will vote to move the polling place from the Town Hall to the Carrie Odiorne School Gymnasium.

Submitted by Petition
William Callaway - E. Leslie Hall - Beatrice Callaway

Article 27.

To see if the Town will vote to lift (200 feet) of the bars and gates on Witch Hold Road from the Jacobswell Road end, to be constructed and maintained by the petitioner; Thomas Schmidt at no cost to the Town.

Submitted by Petition
Margerite Schmidt - Paul Schmidt - Ethel Smith

Article 28.

To see if the Town will vote to rescind any prior vote calling for the election by ballot of a police chief, such rescission to be effective at the Annual Town Meeting to be held in March, 1981. Police Chief serving after this date shall be appointed from a list of certified candidates.

Submitted by Petition
Albert Haberstrob - Nancy Haberstrob - Dorothy Hall

Article 29.

To see if the Town will vote to establish a solid waste Transfer Station for the purpose of implementing the vote on such station as approved by the voters at Annual Town Meeting held in March 1978 (Art. #39). Such station to cost the sum of $40,000.

Submitted by Petition
Without Recommendation/Budget Committee
William Callaway - E. Leslie Hall - Beatrice Callaway

Article 30.

We, the undersigned registered voters, petition the Town of Epping to appropriate the sum of $1,500 to Rockingham County Community Action Program, Inc. The purpose of this appropriation is the continuance of a community services technician for the greater Raymond Community Action Center, which serves the Town of Epping.

Submitted by Petition
Without Recommendation/Budget Committee
Christine Bertogli - Sandra Harkins - Kenneth True

Article 31.

To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to $20,000 of funds that may become available under "The Comprehensive Employment Training Act of 1973," as amended. 3. To choose a Treasurer for the ensuing year.
4. To choose a Member of the School Board for the ensuing three years.
5. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least 14 days before the date of the meeting.

EPPING SCHOOL BOARD

Beverly Lewis
Judith Phelps
Robert W. Wadleigh

TOWN OF EPPING SCHOOL WARRANT
STATE OF NEW HAMPSHIRE
1980

To the Inhabitants of the School District in the Town of Epping, qualified to vote in district affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE EPPING GYMNASIUM IN SAID DISTRICT ON THE TWENTY-SECOND DAY OF MARCH 1980 AT SEVEN O'CLOCK IN THE EVENING, TO ACT UPON THE FOLLOWING SUBJECTS:

1. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

2. To see if the District will vote to authorize the school board to apply for, contract for, and accept aid from the Federal, State and County governments that may become available in the future.

3. To see if the District will vote to authorize the school board to apply for, contract for, accept and expend $25,000 from the Federal, State and County governments in connection with Manpower Jobs Program for the economically disadvantaged for training programs, if such sum or sums are available. **(Recommended)**

4. To see if the District will vote to authorize the renovation of a portion of Watson Academy into office space for School Administrative Unit No. 14, and appropriate a sum not exceeding $60,000 for such purpose, and determine whether this appropriation shall be raised by borrowing or otherwise, and to take any other action relative thereto. **(Not Recommended)**

5. To see if the District will vote to raise and appropriate the sum of $39,000 to make the necessary repairs to the Carrie Odiorne Junior High School roof. **(Rec.)**

6. To see if the District will vote to raise and appropriate the sum of $9,100 to make the necessary repairs to the Central School roof. **(Recommended)**

7. To see if the District will vote to raise and appropriate the sum of $6,280 to weatherproof the crawl space beneath the relocatable classrooms located at the rear of Central School. **(Recommended)**

8. To see if the District will vote to raise and appropriate the sum of $32,197 to renovate the bathrooms at the Central School. **(Not Recommended)**

9. To see if the District will vote to raise and appropriate the sum of $40,000 to install an elevator at the new high school. **(Recommended)**

10. To see if the District will vote to raise and appropriate the sum of $38,079 to employ technical assistance and to make all necessary renovations in order that the Central School and Carrie Odiorne Junior High School can be made more energy efficient. **(Not Recommended)**

11. To see if the District will appropriate a sum not to exceed $60,000, such sum representing interest earned and to be earned prior to June 30, 1980, on the investment of the proceeds of the $1,700,000 bond sale, for the purpose of helping to defray the costs incurred under the contract entered into for the addition to the Carrie Odiorne Junior High School and related alterations. **(Not Recommended)**

12. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

13. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at at least 14 days before the date of the meeting.

ANNUAL SCHOOL DISTRICT MEETING

Epping High School Gymnasium
March 17, 1979

Moderator Kendall Chase opened the meeting at 7:20 p.m. by reading the results of all the election of officers for the School District for the 1979-80 year.

ARTICLE I:

The School Board moved and seconded that the reports of Agents, Committees, or Officers chosen be accepted as presented.

A vote was taken and the motion CARRIED.

ARTICLE II:

The School Board moved and seconded that the district vote to authorize the School Board to apply for, contract for, and accept any aid from the Federal, State and County governments that may become available in the future.

A vote was taken and the motion CARRIED.

ARTICLE III:

The School Board moved and seconded that the district vote to authorize the School Board to apply for, contract for, accept and expend $25,000.00 from the Federal, State and County governments in connection with the Manpower Jobs, Program for the economically disadvantaged for training programs, if such sum or sums may be available from said program.

A vote was taken and the motion CARRIED.

ARTICLE IV:

The School Board moved and seconded that the district appropriate the sum of $96,000.00 such sum representing interest earned and to be earned on the investment of the proceeds of the $1,700,000.00 bond sale, as a partial payment of the principal sum of $115,000.00 due Sept. 1, 1979.

After some discussion and a question and answer period a vote was taken and the motion CARRIED.

ARTICLE V:

The School Board moved and seconded that the district vote to discontinue the Capital Reserve Fund and transfer the amount of $1,394.00 to the present building program account for the purpose of school construction and/or expansion.

After brief discussion a vote was taken and the motion CARRIED.

ARTICLE VI:

The School Board moved and seconded that the district vote to raise and appropriate the sum of $4,000.00 to pay unanticipated special education tuition and transportation, said amount to be a deficit appropriation.

A vote was taken and the motion CARRIED.

ARTICLE VII:

The School Board moved and seconded that the district vote to raise and appropriate the sum of $6,300.00 for the purchase and installation of a new boiler in the Carrie Odiorne Junior High School, said amount to be a deficit appropriation.

After brief discussion a vote was taken and the motion CARRIED.

ARTICLE VIII:

Article VIII was passed over — School Board reported that the insertion of this article was in error.

ARTICLE IX:

The School Board moved and seconded that the district vote to exclude from its Social Security plan services performed by election officials or election workers for each calendar year in which the remuneration paid for such services is less than $100.00.

After a brief discussion a vote was taken and the motion CARRIED.

ARTICLE X:

This article raised a few comments pro and con regarding coke machines in the schools.

After discussion a vote was taken on this Article X and it was DEFEATED.

ARTICLE XI:

The School Board moved and seconded that the district vote to authorize the School Board to change the title of the position of Assistant Superintendent in Supervisory Union No. 14 to Business Manager, beginning July 1, 1979.

After considerable discussion and a recommendation made by the School Board that this motion be defeated.

A vote was taken and the motion was DEFEATED.

ARTICLE XII

The School Board moved and seconded that the sum of $1,350,043.10 be raised and appropriated for the support of schools, for the payments of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

After considerable discussion an amendment to increase this amount to $1,361,262.75 was moved and seconded.

The amendment was voted on and was passed.

The Moderator then asked for a vote on the main motion which was now changed to $1,361,262.75.

A vote was taken and the motion CARRIED.

ARTICLE XII:

A motion was made to adjourn at 8:17 p.m. Motion CARRIED.

Respectfully submitted,

Emma S. Gomez, *Clerk*

At the close of the Annual School District Meeting, School District Clerk swore in Kendall Chase as Moderator. Kendall Chase then swore in Linda Gauthier as Clerk.

SUPERINTENDENT'S REPORT

Not long ago the late Raymond Hoyt, former headmaster of Sanborn Seminary, and later, a very successful superintendent of schools in Exeter said, in one of his annual reports, that it didn't seem possible that he was submitting his 17th annual Superintendent's Report. I know exactly how Mr. Hoyt felt, for this happens to be my 18th report. Since becoming superintendent of schools in S.A.U. No. 14 in 1962, I've seen many changes in public education. I sincerely believe that, for the most part, these changes have been for the good.

However, many public education critics today would have us believe differently. They claim that our standards have declined and that our system is near or approaching complete chaos. These individuals say that our pupils can neither read nor write, that our teachers are poorly trained, that the schools are unsafe, that test scores are way down, that public professional educators don't care anymore and that in general, public education is just plan failing.

Back in 1647 when public education was born in this nation, schools were basically asked to teach the three "R's"; reading, 'riting and 'rithmetic. Today, however, according to Mr. Wilson Riles, State Superintendent of Schools in California, schools are being asked, "to do what people used to ask God to do." He probably isn't far from wrong.

Our schools are being asked to feed our students breakfast, as well as lunch; to check student's vision, hearing and teeth; to teach children how to brush their teeth; to teach good nutrition and good health habits; to integrate the schools where communities have failed to do so in their own neighborhoods; to provide recreation; to teach respect for others, as well as for themselves; to show young people how to ride bikes safely and how to drive cars; to teach how babies are made; and to convince young people not to use drugs. In the past, the family or

some other agency handled many of these responsibilities, but today, they seem to have become the responsibility of public education.

We would be the first to admit that public education is far from perfect, but, even with all these additional tasks, we do have a measure of success.

Today's students are reading better at the 6th and 10th grade levels than those of 30 years ago, according to a 1976 national study conducted by Indiana University. This is surprising, since in a Neilson TV watching poll, it was shown that by the time the average person in our country is 18 years of age, he or she has watched 18,000 hours of TV. This compares to 15,000 hours spent in school.

Also, the percent of functionally illiterates in the United States has dropped from 11.3% in 1900 to a mere 1.2% in 1970.

It is further interesting to note that between the years of 1968 and 1978 circulation in American Public Libraries rose by 15%. This fact is also surprising in view of the various forms of entertainment available in America today. We are obviously reading more, and our schools start our people on this road.

The editors of Better Homes & Gardens reported in 1978 that 60% of the United States population rated the quality of education being offered in our schools as "good" or "very good."

In a 1979 Gallup Poll 53% of parents with children in school said their children were getting a better education than they did.

In 1900, only 6% of the seventeen year olds finished high school, where as in 1975, 75% were graduated.

In 1900, one third of the total school enrollment missed classes regularly while in 1976, only 8% were habitual absentees.

In 1950, the average twenty-five year old had completed only 9.3 years of schooling; in 1976 this figure was up to 12.3 years. It is even higher today.

The United States ranks number one among all countries on the basis of percent of 15 to 18 year olds enrolled in schools.

Incidentally, twenty-three of the first twenty-five entrants assigned to Lunar Missions were public school graduates.

Many of the above statistics and certain other material used in this report were obtained from a 1979 publication issued by the California Association of School Administrators, entitled "What's Right With Education."

Perhaps one of the loudest complaints of public education today is the frequently cited test score decline.

In an article criticizing public education, recently published in a New Hampshire Newspaper, Mr. Allan C. Braunfield stated that it was announced in September 1979 that the school aptitude test scores of the American high school seniors fell in 1979, continuing a downward trend that began a decade ago. He uses this argument to show that students are learning less today. Of course he does not state that the actual drop in scores since 1963 on the SAT is only 3 questions in math and 7 in verbal. Before one accepts Mr. Braunfield's conclusion one must first understand that the school aptitude test is not intended to evaluate education in grades 1 through 12. The college entrance examination board, creator of the SAT, has said many times that, "the sole purpose of the SAT test is to predict how well students will perform in college."

Yet, even with such a minor drop in these scores, former Secretary of Labor Willard Wirtz, chaired a committee to look into the matter. The panel stated that, starting in the mid 1960's, a larger percentage of students with comparatively lower high school grade

averages were going on to college, and that a larger percent of young people were staying in school through 12th grade with the consequence that there has been a lowering of the averages on examinations, taken previously by a more select group. The panel tells us that we are enrolling over a million more students in our colleges and universities in 1979 than we were just ten short years ago.

Is then, the missing of three more math and seven more verbal questions on the SAT really this dramatic? Probably not, when one considers that a greater cross section of students are taking the SAT's at a time when public education is being asked to do more and more. Instead of criticizing, one should probably commend public education for meeting the needs of the students as well as it has. Is it not the goal of public education to provide more education for a greater number of our young citizens in order to prepare them with the skills they need to survive in a very complex society - rather than to attain high college entrance exam scores on SAT's?

At a time when we are minimizing the importance of preparing pupils primarily to score well on college entrance exams, we must insist that public education continue to provide a sound foundation of basic skills for our students. We must further insist that all capable students demonstrate certain competencies in reading, writing, and arithmetic prior to receiving a high school diploma. Today, this is commonly referred to as "Educational Accountability."

One needn't list only national statistics in order to show that public education is a long way from failing.

According to Mr. Whalen, Principal of Epping High School, approximately 75% of all Epping High School graduates continue their schooling in one form or another after graduation.

Many local public leaders, i.e., school board members, selectmen, policemen, firemen, members of various com-

mittees, etc., have been products of the Epping school system. In fact, the present three selectmen are products of the Epping school system.

Two years ago the high school valedictorian chose to go directly into the armed services rather than to college. Today she serves as a Russian language interpreter.

Speaking of the armed services, the Annapolis graduating class of 1980 will have a former Epping school system student in its group.

Another graduate of Epping High is making a name for herself in the field of art. Presently her works are on display at the New England College and will be shown in certain public libraries in the Seacoast Area.

Presently there are three full-time certified teachers in the Epping school system who were former pupils in the Epping schools. Also, the secretaries in the high school principal's office and one in the superintendent of schools office are graduates of Epping High School.

Obviously, the list could be longer.

A former Epping School Board Member who himself was a product of the Epping school system, summed it up well when he recently stated that "for every story of student failure in Epping, there are many, many more stories of student successes."

Congratulations to public education.

Congratulations to the Town of Epping.

Both Principal Mark Joyce (grades 1 - 4) and Principal Roy Whalen (grades 5 - 12) do a fine job in bringing us "up-to-date" regarding the recent major improvements in our Epping schools.

Mr. Joyce reports:

The 1979 - 80 School Year opened successfully this year for grades 1 - 6, amid partially completed and much awaited building renovations to the Central School.

These limited renovations, combined with the total building program, do provide many advantages for our younger children.

First of all — two very small classrooms were converted into one recommended size classroom, providing sufficient space for the regular activities of a primary age classroom.

Secondly — the renovations established a library area, a learning disabilities resource room, two small learning rooms and two offices which will help to insure that every student will receive access to necessary support services such as counseling, Title I, speech, and reading.

Thirdly — the new building allowed Grades 5 and 6 to join with Grades 7 and 8 in forming our new "Middle School." This organizational pattern will allow students who possess similar interests and needs to be grouped together and share on a limited basis in the special facilities of our High School building.

Fourthly — the implementation of a library program and a learning disabilities resource room will allow us to service the student in need of special service, as well as provide enrichment for the children who may be gifted and/or talented.

Finally — and perhaps most importantly, for the first time the Epping Central School, with the establishment of the Library Aide position, will come within total compliance of the requirements listed in the "State of New Hampshire Minimum Standards for an Elementary School." This means that the Epping Central School will receive the highest possible rating given by the New Hampshire State Department of Education.

In summary, the full approval of our elementary program will be a truly great accomplishment of which every Epping citizen deserves to be very proud. This achievement combined with the proven success of our coordinated developmental reading, language arts, and math curriculum as well as all other aspects of

curriculum attest to the high quality of our total elementary school program. This accomplishment which is the direct result of the hard work of our teachers, students and the community is supported by our consistently placing above average in scores in nationally standardized tests.

The Epping Schools are providing a high quality education to the young citizens of our community. This is a fact of which every citizen deserves to be proud.

Mr. Whalen reports:

The Epping Jr. - Sr. High School has 490 students enrolled in grades 5 - 12 for the 1979 - 80 school year. On December 4, 1979 grades 7 & 8 and the Special Education Program moved from Watson Academy to occupy new facilities on the second floor of the new school addition.

On January 3, 1980 students in grades 5 & 6 moved from the Elementary School to the second floor of the new addition. This completed the installation of the Middle School Unit, grades 5 through 8 in the new addition.

Since that time, the teachers and students in grades 5 through 8 have been working together to develop a sense of unity, spirit, and an educational program appropriate for Middle School youngsters.

On January 8, 1980 Epping High School students moved into their new facilities on the first floor of the addition. These areas included new science rooms, media center, language, and general purpose classroom facilities.

Early in the fall, all grade levels began using the new kitchen cafeteria, lobby, and music room facilities. We are very pleased with our new school, and the attitude and behavior of the student body toward their new facilities has been excellent. The faculty and students have had to continually rearrange class schedules, entrances and exits that could be used to the building, and parking

areas throughout the construction process. Their cooperation and patience have been exemplary.

Throughout the school year, a variety of faculty committees and student organizations have been successfully moving ahead in developing the educational program at all grade levels. Student organizations such as Student Council, School Newspaper, French Club, and the various classes have all been involved in a variety of activities which enrich their regular classroom learning. Various subcommittees of faculty members have been active in working on curriculum design, the accountability program, "moving procedures," and the development of programs for Middle School students.

Since we are now settled in our new school, we look forward to a smooth and productive completion of the 1979 - 80 school year. We will continue working for improved and expanded programs for the next school year.

On behalf of our educational family in Epping, Mr. Whalen, Mr. Joyce and I wish to express our deepest appreciation to the Epping School Board, the PTO and to the many, many others in Epping for their collective help and continuing support in our attempt to make the Epping school system one of the best small school systems in the entire state.

Respectfully submitted,

Francis C. Wilson
Superintendent of Schools

IN MEMORY OF MR. GEORGE E. MOQUIN

Mr. George E. Moquin is given special recognition in this 1979 Annual Town Report of the Town of Epping in memory and appreciation of his service to our community in years past.

He was born in Merrimack, New Hampshire on February 16, 1898 and moved to Epping in 1925 where he lived until his death on October 31, 1979.

During those many years in Epping, George was active in many aspects of community life. He was a member of the Epping Volunteer Fire Department and served as their treasurer for seveal years. He also served as Choir Master at St. Joseph's Parish for fifty years. George was the official scorer of the Epping Town baseball team for many years.

What we will always appreciate is his service as a member of the Board of Selectmen. He served a full term from 1953 to 1956 and was back on the Board for another two years in 1958 and 1959.

George Moquin was a man devoted to the Town of Epping and thoroughly enjoyed being involved in its activities.
